Newsletter for 2026 and Dues Payment Slip

Dues are payable now for 2026! The deadline for payment of 2026 Club dues is April 1, 2026.

If you have already paid, thank you! If not, please fill out and return the payment form at the bottom of this page.

Club News: A **HUGE THANK YOU** to everyone who comes out to Club events and to Club clean-up days and meetings! We appreciate all of you very much! During the past year, with your help, we have:

- Completed pistol pits # 7 and 8
- Added stadium type LED lighting to the skeet and trap range
- Replaced the old sodium vapor dawn-to-dusk lights with LEDs to save energy
- Expanded the .22 LR benchrest shoots to include silhouette shoots and “zombie” shoots
- Welcomed 91 new members to the Club
- Received an NRA grant to purchase silhouette targets, and .22 LR ammo
- Accomplished lots of maintenance – painted the doors of the IBS shed, upgraded some electrical equipment, replaced target stands, removed trees, patched roofs, and did lots of general fixing and cleaning in the clubhouse and grounds
- Added a handicap accessible portable toilet near the rifle range
- Spread asphalt millings on road and new pistol pits – repaired lots of pot-holes!

Our plans for 2026 include:

- Our NRA certified instructors plan to offer the following classes for beginners and for those wanting a refresher:
 - NRA Basic Pistol, NRA Basic Rifle, NRA Basic Shotgun, and NRA Women On Target. We also offer a personal protection class by Tremis Dynamics. Watch the club calendar and your email for schedules.
- Investigate building a roof over the training area at rear of clubhouse so classes can run rain or shine!
- Wire the red strobe lights to the separate string of red lightbulbs on the rifle range so they all light up together for improved visibility and safety

Membership meetings are held the third Thursday of every month. Dinner starts at 6 pm, the meeting begins at 7 pm. See our website at <https://www.mainvillesportsmensclub.org/> for the events calendar and lots of other info. We also have a Facebook page at <https://www.facebook.com/mscrange> with up-to-the-minute information and photos.
